Laura Downey, MD, FACS; Robert Fieldman, MD, FACS;
Bryant Lee, MD, FACS; and Todd Morrow, MD, FACS

Board-certified specialists in otolaryngology–head and neck surgery, Drs. Downey, Fieldman, Lee, and Morrow team with Drs. Holzberg, Garibaldi, Paraiso, and their staff to provide comprehensive ear, nose, and throat care for adult and pediatric patients. These doctors each bring unique expertise to their growing practice, which now includes a new Summit location.

Specializing in neurotology, Dr. Downey combines medical, interventional, and surgical treatments with state-of-the-art technology to provide outstanding care to patients with ear infections, hearing loss, tinnitus, Ménière's disease, vertigo, and related disorders.

Dr. Fieldman has been a *New Jersey Monthly* Top Doctor every year since 2006. Board certified for 25 years, he is section chief at Saint Barnabas Medical Center, where he specializes in diagnosing and treating sinusitis and pediatric patients.

With a focus on voice disorders, thyroid surgery, and head and neck cancers, Dr. Lee has extensive expertise in pediatric and adult ENT disorders: He serves on the executive medical board at Saint Barnabas Medical Center and the New Jersey Academy of Otolaryngology–Head and Neck Surgery.

Dr. Morrow, board certified in facial plastic and reconstructive surgery as well as otolaryngology, uses the latest facial rejuvenation techniques. He performs cosmetic nasal and ear surgery, along with laser and endoscopic procedures. "It's a privilege when patients place their trust in my hands," he says. "I'm grateful to have the opportunity to positively change so many lives."

HOSPITAL AFFILIATIONS: Saint Barnabas Medical Center, Livingston; Short Hills Surgery Center, Millburn; Overlook Medical Center, Summit; Newark Beth Israel Medical Center; Saint Michael's Medical Center, Newark; UMDNJ.
